Whole Fence was 853 rods; S. of Mill Brook

both had gates, & 2 brooks.

Fence in 1786, 7 or 8 called 789½ rods.

Small Homelots

1715. July 12. The committee at Southampton
in order to make the place more defensible
ordered 24 small lots.

To begin 3 or 4 rods upon the E. side of
John Hilliard's lot, & run northerly
up the street 60 rods, & 30 rods E. & W.
Highway 10 rods in front to be taken, viz
in front of John Hilliard, Joseph Brooks,
Thomas Taylor & Herckibb Stratton's
lots; and on the east side as much
out of Capt Wright, Ebenezer Clark's,
Increase Clark's & Nathaniel Alexander
lots. There were on both sides, consented
to this; they then paid for the use of their
land so long as it is used in this way.

There is a plot of these 24 small lots, with roads
&c. A road 3 rods wide ran N. & S. through the
middle, & others E. & W. Probably
the plan never was ever carried into execution.

I think this intended village was to be a little
below the E. & W. street where the School house
now stands in street running E. which is broad.
On west side it is narrow towards the meadows.
Perhaps it was lower.

Dear Paul Field's family. (Lived by Beers' Plain

- 1 Spencer - Physician in Oakham. Left a family
- 2 Roxana married John Stratton
- 3 Walter - lived on old place
- 4 Christian married Hollis Taylor of Hinsdale
(for G. F. of Dea. A. Hooker, husband)
- 5 Editha mar. Benj. Doolittle Winchester
- 6 Sarah - died at 23
- 7 Zechariah born Sept 27, 1768. Lived on street. 1846.
married Abigail Malton
- 8 Thankful, died at 4 years
- 9 Hubbard Lived at Linton St. Physician

Lived on meadow plain close by Beers' plain. Many bulletts & bones found on his land.

Gaius Field lived in Winchester
married a Holton

children, Zechariah, Joshua, Waitstill, Elisha,
Gaius and 1 daughter.

[This from Zechariah Field son of Paul.

Ebenezer Field who died in 1723 had a piece of
corn near the fort, & had been husking or gathering
into a heap. Late in evening there were signs of rain
or perhaps rain a little. He went out to secure
his corn from wet. The sentinel saw him and
thought an Indian was lurking there; fired and
wounded him. He was taken to Deerfield and
died there.

^{Dumped 1765}
{ Aaron Field son of Ebenezer, lived & died in Bernardston.
married Eunice Fryer 1743. 3 children born in Deerfield.

Capt. Zechariah Field who died 1746 lived opposite the
first lot north of the south road into woods east. I think
Mr Doolittle lived on that first lot N. of road, East side.
His brother Ebenezer lived lower down on same
side, perhaps on lot next above road to meadow & ferry.

Moses Field's sons. Moses D. Field went to Perry N.H.
Solomon went to Conway. Phineas lived in N.H.
John was not stationary - enlisted & was in army.
Had a family. - Medad older than Phineas, John
is still living in Northfield. - Martha by 2 wife
married a How. son of Capt. W. W. W. W.
One daughter by 1st wife, Elizabeth, married Rufus Field of S. H.

Pettys.

Ebenezer & John must have been sons of John of Springfield. Their mother Mary (Taylor) born 1671 in Sp. died in Northfield 1738.

Joseph Petty of Northfield must be the Joseph P. of Deerfield. Joseph P. Jr. of Northfield was probably his son. Widow Sarah (widow of Joseph senior) died 1754.

Shattuck.
Deerfield.
p. 108.

Daniel Shattuck, who had removed from Northfield to Hinsdale in 1736. He owned, and in Macy's Meadow? His house stood about 100 rods east of Connecticut river, & one mile South of Hinsdale and one mile S.E. of Fort Rowe on the west side of the river, near in Corson, and 3 miles S. of Fort Dummer, near Brattleboro. He built 2 houses with hewn timbers on either side of a small brook with port holes. A pair of enclosures both built with timber & plank surrounded with pickets. This was Shattuck's fort. All in the neighborhood lived in this fort after the war began 1745. Fort was attacked - 18 Aug. 18, 1746, when the Indians were driven off. secondly March 10. 1747, when they set the fort on fire & burnt that part S. of the brook. The other part was saved. Shattuck was a stout man, of much influence.

Daniel Shattuck, son of Daniel, lived in Hinsdale where he died April 7, 1809 aged 82. 4 sons; brave man, a Captain. married Mary Smith of Amherst - See died 1788 aged 61.

Children, Cyrus born 1754, all taken away 1756, all away 1758. Cydonia 1761. Phineas (Dyphona) 1764, Thos. 1764, Twins

The Tradition in Amherst is that Isaac, widow Martin Smith who died about 1780, married Capt. Daniel, Shattuck, of Hinsdale

Doctors in Northfield.

Rev. Benjamin Doolittle, died 1749.

Ebenezer Field died 1784.

Isaac Hurlebut - was there 1773. 74. 75. See p. 129

Samuel Mattoon probably 1757 to 1807. See p. 129. Sup. p. 143

Medad Pomeroy began 1765, removed to Warwick about 1770

Bildad Andrews see p. 28. Perhaps not a resident. 1753.

Examination of Pochog Meadow &c Nov. 1846.

This Meadow is about a mile above the old M. House, and extends up another mile or more. The Village Street is nearly straight to within a little distance of the meadows. It then turns N.W. down to the edge of the meadow - goes round on the edge some distance (high, broken hills come down to meadow and then rises upon the plain in rear of Pochog, & goes N.W. & N. towards Hindale. Before the road turns down the hill, a road turns out on east side & goes N.E. &c to Winchester, Swanzy & Keene.

Pochog is a pretty large meadow; the river against it runs South easterly; it comes from N.W. The lots in Pochog are N.E. & S.W. or near that. Some ploughing on it but not a great deal. Has steep hills or steep bank on backside all the way.

Pochog Great Brook runs through the meadow N.E. & S.W. - has an old sawmill on south hill back. It has a valley or hollow 8, 10. or 12 rods wide through the meadow, covered with coarse water grass; this hollow is but little above the Cpl. River now, & in all high water must be covered & be a sort of dove or creek from Great River. I suspect the lower part has water on it now. - A small brook comes into meadow & joins the other.

The Plain N.E. of the upper half of the meadow or $\frac{2}{3}$ is partly a level plain; the rest a rolling plain. Must have been a pine and oak plain. Both there now.

Pochog Meadows, &c

Against the upper part of Pochog there is
a narrow meadow on the other side
extending up the river beyond Pochog. It
is the Little Meadow of the Records.

Against the lower part of Pochog,
a meadow begins on the other side,
is not wide, & extends along down to
opposite the center of the village nearly.
It must be higher than the other meadows
for it has several houses on it. It's
the Horse Plain of the Records has
a high bank on west side.

The range of hills running E. & W. in
southern part of Hindale & Winchester
entirely cut off & shut up the valley of
the Connecticut, as viewed from the
village or south of it. The river comes
into Northfield valley from the N. W.
round the west end of the range of hills
or mountains noticed.

The range of hills east of Northfield
extends the whole length, from $\frac{1}{2}$ mile
to a mile, and $1\frac{1}{2}$ miles from the river &c.
There is some opening between the N. end and
the hills of Winchester apparently.
Roads go over this range & other east
of it to Groton; to Warwick, Orange &c.
There are some places not very high.

79
Stones, & wood.

Above Mill Brook, each side of Street, the land is uneven, some of it rocky. These rocks are conglomerate, or full of small stones - are brown, blue, &c.

Northfield is well supplied with stones, and with wood. Good 4 feet wood is only 2 dollars per cord. Timber is much of it Oak and Chestnut; some evergreen, but very little fit to saw. Some maple, walnut, birch & No Beech except in eastern part of the town, and then is some in Warwick.

Fences are all chestnut, except some stone walls or half walls.

Shade Trees on the beautiful, broad street - 8 or 10 rods wide, are elm, maple, & some other. Some evergreen, around the neat white houses, not many. Some Bullemuts are seen.
